BIBLIOGRAPHY OF THE 15TH SESSION OF THE EXPERT MECHANISM ON THE RIGHTS OF INDIGENOUS PEOPLES

This section provides some references to help you prepare for the conference. In general, the bibliography proposes a selection of documents related to the theme of the future study on: *"Treaties, agreements and other constructive arrangements between Indigenous Peoples and States, including peace accords and reconciliation initiatives, and their constitutional recognition"*, as well on violence against indigenous women. Resources are mainly taken from official sources in order to provide impartial and neutral information.
