**Side event - European Commission and the rights-based approach: its main  
vehicle for Indigenous Peoples' rights**

In English, Spanish, French and Russian

**13.15 – 14.45, Room 27 (XXVII), Building E, UN Palais des Nations, Geneva**

In the context of the 10th anniversary of the UNDRIP, which the European Union has supported its beginning, this is an opportunity for the European Commission not only to inform Indigenous delegates about the EU involvement in supporting and protecting Indigenous Peoples' rights but also to share its working method of the rights-based approach and its relevance to the context of Indigenous Peoples' rights.
