

**Secure tenure and traditional knowledge as pre-conditions
for forest governance and climate solutions.**

Official Side Event of the UN Permanent Forum on Indigenous Issues (UNPFII)

Tuesday 23rd of April 2019

13:15 pm to 14:20 pm.

Conference Room 4

United Nations Secretariat, New York

Indigenous Peoples leaders will share their experiences on why secure tenure is key for successful forest governance, management and protection. They will also demonstrate how applying traditional knowledge is essential for effective climate change solutions.
